GENERAL TERMS OF CONDITIONS

1. INVITATION

The Municipal Infrastructure Support Agent (MISA) intends to appoint a suitable service provider to supply, package and deliver Personal Protective Clothing and Equipment (PPE) and Tools of Trade in municipalities nationwide.

2. Background

The Municipal Infrastructure Support Agent (MISA) was established in terms of section 7(5) (c) of the Public Service Act, 1994 (promulgated under Proclamation No. 103 of 1994) and came into being in May 2012 as a government component within the Department of Cooperative Governance. One of the chief directorates within the Technical Support Services Branch of MISA is Technical Skills which also facilitates programmes where Learners are given exposure in the different fields of the built environment including Town and regional Planning, Civil Engineering, Electrical Engineering, Geographical Information Systems and Project and Construction Management.

3. Objectives of the Request

According to the Skills Development Act of 1998, an employer must provide Personal Protective Equipment (PPE) and Tools of Trade to the Learners including Apprentices during the training period. It is for this reason that MISA is requesting a service provider to supply these requirements to the learners placed in municipalities nationally. The total number of learners to be provided with both Personal Protective Clothing is one hundred (100) and Trade of Tools is one hundred (100) including delivery to these 35 Municipalities.

4. Scope of Work

- 4.1. The requirements entails supplying 100 PPE as described under specification and 100 Trade Tools to Learners placed in Municipalities nationally- twenty (20) tool boxes of each trade; electrical, plumbing, bricklaying, diesel and motor mechanic. ***The awarded Service Provider will be expected to deliver the purchased goods to 35 municipalities across nine provinces and such costs must be included in the bidding price. (Attached Annexure B)***
