E1 Submission procedures

E1.1 Notice and invitation to submit an expression of interest.

Expressions of interest are invited for the establishment of panel of contractors for provision of Municipal Roads and Stormwater Infrastructure for the period of 36 months without a commitment to a quantum of work.

The Employer is Municipal Infrastructure Support Agent.

Respondents must have a contractor grading designation in one of the following Grading Levels **3CE, 4CE, 5 CE, 6 CE, 7 CE, 8 CE and 9 CE.**

Only those respondents who to meet eligibility criteria and the Functionality score of 70% will be admitted into the panel.

The requirement of submissions is detailed in the Submission Data (Ref: E4.1, E4.7 and 5.9 of Submission Data).

Those qualifying respondents admitted in the panel will then later be invited on as and when required basis, by MISA to submit quotations or respond to Submission requests and meet other requirements to be considered successful for tenders.

Each respondent in the panel is expected to have its resources and planning processes ready to urgently respond to whichever need arises within the area the Respondent has preferred.

The Submission Documents will be available from the e-Tender Publication Portal (www.etenders.gov.za) of the National Treasury of the Republic of South Africa from the date of publication of the Notice of Request for Tenders in Government Tender Bulletin and/ or any national media. Any queries related to the e-Tender Publication must be communicated with eTenders@treasury.gov.za or by contacting the Office of the Chief Procurement Officer Call Supply Chain Centre on 012 406 9222.

Telegraphic, telephonic, telex, facsimile, e-mail and late submission will not be accepted. Respondents must submit their submissions using only the Submission document.

**CIDB STANDARD FOR UNIFORMITY IN CONSTRUCTION AND ENGINEERING
PROCUREMENT (AUGUST 2019)**

ANNEXURE D

STANDARD CONDITIONS FOR THE CALLING FOR EXPRESSIONS OF INTEREST

D.1 General

D.1.1 Actions

D.1.1.1 The employer and each respondent submitting an expression of interest shall comply with these conditions for calling for expressions of interest. In their dealings with each other, they shall discharge their duties and obligations as set out in D.2 and D.3, timeously and with integrity, and behave equitably, honestly and transparently, comply with all legal obligations and not engage in anti-competitive practices.

D.1.1.2 The employer and the respondent and all their agents and employees involved in the submission process shall avoid conflicts of interest and where a conflict of interest is perceived or known, declare any such conflict of interest, indicating the nature of such conflict. Respondents shall declare any potential conflict of interest in their submissions. Employees, agents and advisors of the employer shall declare any conflict of interest to whoever is responsible for overseeing the procurement process at the start of any deliberations relating to the procurement process or as soon as they become aware of such conflict and abstain from any decisions where such conflict exists or recuse themselves from the procurement process, as appropriate.

Note: 1) A conflict of interest may arise due to a conflict of roles which might provide an incentive for improper acts in some circumstances. A conflict of interest can create an appearance of impropriety that can undermine confidence in the ability of that person to act properly in his or her position even if no improper acts result.

2) Conflicts of interest in respect of those engaged in the procurement process include direct, indirect or family interests in the tender or outcome of the procurement process and any personal bias, inclination, obligation, allegiance or loyalty which would in any way affect any decisions taken.

D.1.1.3 The respondent shall not make a submission without having a firm intention and the capacity to proceed with the next stage of the procurement process.

D.1.2 Supporting documents

The documents issued by the employer for the purpose of obtaining expressions of interest are listed in the submission data.

D.1.3 Interpretation

D.1.3.1 The submission data and additional requirements contained in the submission schedules that are included in the returnable documents are deemed to be part of these conditions for the calling for expressions of interest.

D.1.3.2 For the purposes of these conditions for the calling for expressions of interest, the following definitions apply:

- 1) **conflict of interest** means any situation in which:
 - a. someone in a position of trust has competing professional or personal interests which make it difficult to fulfil his or her duties impartially.
 - b. an individual or Respondent is in a position to exploit a professional or official capacity in some way for their personal or corporate benefit.
 - c. incompatibility or contradictory interests exist between an employee and the Respondent who employs that employee.
- 2) **corrupt practice** means the offering, giving, receiving or soliciting of anything of value to influence the action of the employer or his staff or agents in the tender process, and

- 3) **fraudulent practice** means the misrepresentation of the facts in order to influence the tender process or the award of a contract arising from a tender offer to the detriment of the employer, including collusive practices intended to establish prices at artificial levels.

D.1.4 Communication and employer's agent

Each communication between the employer and a respondent shall be to or from the employer's agent only, and in a form that can be readily read, copied and recorded. Communications shall be in the English language. The employer shall not take any responsibility for non-receipt of communications from or by a respondent. The name and contact details of the employer's agent are stated in the submission data.

D.2 Respondent's obligations

D.2.1 Eligibility

Submit an expression of interest only if the respondent complies with the criteria stated in the submission data and the respondent, or any of his/her principals, is not under any restriction to do business with the employer.

D.2.2 Cost of submissions

Accept that the employer will not compensate the respondent for any costs incurred in the preparation and delivery of a submission.

D.2.3 Check documents

Check the submission documents on receipt, including pages within them, and notify the employer of any discrepancy or omission.

D.2.4 Acknowledge addenda

Acknowledge receipt of addenda to the submission documents, which the employer may issue, and if necessary, apply for an extension to the closing time stated in the submission data, in order to take the addenda into account.

D.2.5 Clarification meeting

Attend the clarification meeting(s) at which respondents may familiarize themselves with the proposed work, services or supply (and location, etc.) and raise questions. Details of the meeting(s) are stated in the submission data.

D.2.6 Seek clarification

Request clarification of the submission documents, if necessary, by notifying the employer at least five (5) working days before the closing time stated in the submission data.

D.2.7 Making a submission

D.2.7.1 Return all returnable documents to the employer after completing them in their entirety, either electronically (if they were issued in electronic format) or by writing legibly in non-erasable ink.

D.2.7.2 Seal the original and each copy of the submission as separate packages marking the packages as "ORIGINAL" and "COPY". Each package shall state on the outside the employer's address and identification details stated in the submission data, as well as the respondent's name and contact address.

D.2.7.3 Accept that the employer shall not assume any responsibility for the misplacement or premature opening of the submission if the outer package is not sealed and marked as stated.

D.2.8 Information and data to be completed in all respects

Accept that submissions, which do not provide all the data or information requested completely and, in the form, required, may be regarded by the employer as non-responsive.

D.2.9 Closing time

Ensure that the employer receives the submissions at the address specified in the submission data not later than the closing time stated in the submission data. Proof of posting shall not be accepted as proof of delivery. The employer shall not accept submissions submitted by telegraph, telex, facsimile or e-mail, unless stated otherwise in the submission data.

Accept that, if the employer extends the closing time stated in the submission data for any reason, the requirements of these conditions for expressions of interest apply equally to the extended deadline.

D.2.10 Clarification of submission

Provide clarification of a submission in response to a request to do so from the employer during the evaluation of submissions.

D.3 Employer's undertakings

D.3.1 Respond to clarification

Respond to a request for clarification received up to five (5) working days before the submission closing time stated in the submission data and notify all respondents who attended the clarification meetings, if any, of those responses.

D.3.2 Issue Addenda

If necessary, issue addenda that may amend or amplify the submission documents to each respondent during the period from the date of the calling for expressions of interest until seven (7) working days before the closing time for submissions stated in the submission data. If, as a result, a respondent applies for an extension to the closing time stated in the submission data, the employer may grant such extension and shall then notify it to all respondents.

D.3.3 Late submissions

Unless otherwise stated in the submission data, return submissions received after the closing time stated in the submission data, unopened, (unless it is necessary to open a submission to obtain a forwarding address), to the respondent concerned.

D.3.4 Opening of submissions

D.3.4.1 Record the name of each respondent whose submission is opened and acknowledge receipt of each submission.

D.3.4.2 Make available the names of the respondents that made submissions prior to the closing time for submissions to all interested persons upon request.

D.3.5 Non-disclosure

Not disclose to respondents, or to any other person not officially concerned with such processes, information relating to the evaluation and comparison of submissions until after the evaluation process is complete.

D.3.6 Grounds for rejection and disqualification

Determine whether there has been any effort by a respondent to influence the processing of submissions and instantly disqualify a respondent if it is established that he/she engaged in corrupt or fraudulent practices.

D.3.7 Test for responsiveness

Determine, on opening and before detailed evaluation, whether each submission received:

- a) meets the requirements of these conditions for the calling for expressions of interest,
- b) has all the substantive provisions properly and fully completed and signed, and
- c) is responsive to the other requirements of the call for expressions of interest.

D.3.8 Non-responsive submissions

Reject all non-responsive submissions.

D.3.9 Evaluation of responsive submissions

D.3.9.1 Appoint an evaluation panel of not less than three persons. Evaluate submissions using the evaluation criteria established in the submission data.

D.3.9.2 Notify the respondents of the outcome of the evaluation process within two (2) weeks of the evaluation report being accepted by the employer.

D.3.10 Provide written reasons for actions taken

Provide upon request written reasons to respondents for any action that is taken in applying these conditions but withhold information which is not in the public interest to be divulged, which is considered to prejudice the legitimate commercial interests of respondents or might prejudice fair competition between respondents.

REPUBLIC OF SOUTH AFRICA

Reference no.: **MISA/EOI/RSI/023/2024/25**

PART E3: INDICATIVE SCOPE OF WORK

E3.1 EMPLOYER'S OBJECTIVE

MISA's objective is to put in place a number of regional Panel of Contractors for a range of commonly encountered goods, services and works within Municipal Services Infrastructure to achieve a significant contribution to Cabinet's objectives relating to improvements in access to sustainable roads and stormwater services.

MISA planned to achieve the above by entering into an agreement with Panel of Contractors over a three-year term with potential contractors for,

Establishment of a Panel of Contractors for the Construction, Refurbishment, Maintenance, Repair and Operation of Municipal Roads and Stormwater Infrastructure within the geographic regions in South Africa

on an as and when instructed basis, to secure the services of contractors capable of serving the emerging municipal needs for such services within all the regions.

The ultimate goal is to streamline the procurement of construction services from the open market to fulfil MISA's strategic objectives, while maintaining transparency, fairness and equitability in the procurement process.

E3.2 BACKGROUND

Slow supply chain management (SCM) practices underlie many challenges in slow project implementation, particularly in the more rural and remote municipalities. Efficient SCM practices which reduce costs, enable a rapid response to municipal service delivery needs and result in quality outcomes can contribute significantly to the improvement of reliable Roads and Storm water services in South Africa

E3.3 OVERVIEW OF THE WORKS

The overview of the works entails creation of Panel of Contractors with potential contractors which set out the terms and conditions under which specified works which include Construction, Refurbishment, Maintenance, Repair and Operation of Municipal Roads and Stormwater Infrastructure within the geographic regions in South Africa to all residents in South Africa.

E 3.4 EXTENT OF THE WORKS

The extent of scope of works includes but not limited to,

- Construction of new Roads and Storm Water Infrastructure
- Upgrade and Refurbishment of existing Roads and Storm Water Infrastructure
- Carry out Maintenance and/or Repairs of existing Roads and Stormwater Infrastructure

E 3.5 STANDARD PROJECT SPECIFICATIONS

The following specifications will also be applicable later when the need arise,

1. PROJECT SPECIFICATION

2. STANDARD AND VARIED SPECIFICATIONS

1. Standard Specifications
2. Amendments/Variations to the Standard Specifications

3. PARTICULAR SPECIFICATIONS

1. Building Work and Trades
2. Generic Labour-Intensive Specification (PLI)
3. Occupational Health and Safety Specification including COVID 19
4. Environmental Specification (PZ)

E 3.7 DELIVERABLES

When Successful to be on the panel, the Respondent will be expected amongst others to assist the employer to achieve the following deliverable at high level.

No	Category	Deliverable
1	Upgrade and Refurbishment of existing Roads and Storm Water Infrastructure	Completed upgraded and/or refurbishment Roads and Storm Water Infrastructure
2	Construction of new municipal Roads and Storm Water infrastructure	Completed and functional municipal Roads and Storm Water infrastructure
3	Maintenance and/or Repairs of existing Roads and Stormwater Infrastructure	Completed well Maintained and/or Repairs of existing Roads and Stormwater Infrastructure

E 3.5 Procurement strategy

The Employer intends entering into a pre-contract with a limited number of a contractors for the improvements of Municipality infrastructure facilities following a competitive selection process (qualified procedure).

The NEC3 Form of contracts with Bills of Quantities pricing strategy may be used by the employer later.

At the later stage, The Respondent will be expected to

- ensure compliance to Construction Health and Safety is of utmost importance.
- comply with specific goals criteria in order to claim specific goals points

- comply with Contract Skills Development Goal (CSDG) established in the CIDB Standard for Developing Skills through Infrastructure Contracts, published in Gazette Notice No.48491 of 28 April 2023

For work with a value above R30 million, where feasible, the main contractor will be expected to subcontract a minimum of 30% to any of the identified designated groups (local sub-contractors owned by any of the identified designated groups). The responsibility to identify, appoint, manage and pay sub-contractors rests with the main contractor. MISA may only assist where necessary.

MISA or Employer will give written instruction to the Respondents in the Panel to submit a Tender or quotation or Submission or call-off for a proposed works, – Submission (s) will give written acknowledgement of receipt of the quotation or tender or call-off.

The quotation or tender or call-off enquiry document will contain all the relevant forms, the scope of work, pricing schedule and related information describing and defining the works, including any additional contract information.

If a request for quotation or tender or call-off instruction is subject to a multi-source bidding process (i.e competing with other quotation or tender or call-off from other Respondents within the Panel), this will be stated in the quotation or tender or call-off from other Respondents within the Panel document. The Respondent(s) will prepare his/her quotation according to the format issued in with quotation or tender or call-off from other Respondents within the Panel.

The Respondents(s)'s rates and prices will be and apply as the maximum allowable rates and prices quoted for quotation or tender or call-off instruction under this Agreement.

E 3.5 General requirements

The Respondent shall in Providing the Works observe all by-laws and associated regulations and industry norms established in relevant South African national standards published in terms of the Standards Act of 2008 or standards recommended by professional associations.

The Respondent shall only utilize in the provision of the services materials (substances that can be incorporated into the works), products (item manufactured or processed for incorporation into the works), components (products manufactured as distinct units to serve a specific function or functions) and assemblies (set of related components attached to each other) which are:

- a) fit for their intended purpose, and
- b) capable of fulfilling required functions under intended use conditions or when in use, with planned maintenance, under the influence of the environmental actions or a result of a self-ageing process for a period of time within industry accepted norms.
